4 🛏️ 4 🚿 2 🚗

Set on a high side tranquil residential street with a striking modern façade, this brand new three-level full brick residence establishes an architectural standard virtually unmatched in the immediate precinct. Sweeping exterior curves soften the facade's bold contemporary, massing a sculptural street presence that announces its difference before you reach the front door.

Step inside to 2A Marook St Carlingford, where a grand light-filled entry welcomes you into resort-style living. A bespoke diagonal recessed geometric LED track light installation sets the architectural register of the entire home. The large-format polished porcelain tile flows across the open-plan ground level beneath soaring ceilings and throughout all living zones.
